STATUS REPORT

Subject: Status Update on Settlement Negotiations and Request for Additional Time

TO THE HONORABLE JUDGE BERNARD JONES:

I hope this message finds you well. I am writing to provide a status update on the ongoing settlement negotiations in the above referenced case.

The parties have continued to engage in negotiations but have not yet reached a settlement agreement. Several issues have arisen that have caused difficulties in communicating offers and receiving responses. Specifically, the Plaintiff's principal has been dealing with an urgent health condition, which has made communication challenging. The principal is currently recovering from major surgery, and this, combined with the holiday season, has resulted in further delays as many individuals are unavailable.

Despite these challenges, the parties remain committed to working towards a resolution. The Plaintiff is prepared to make a counteroffer, but given the current circumstances, we respectfully request additional time to attempt to resolve the matter.

We appreciate the Court's understanding and consideration in this matter. Thank you for your attention to this request.

Respectfully submitted,

/s/ William W. Camp
